

OUR FOOD TOWERS START AT \$25.00

You determine the value of your gift and we will build it. Price depends on how many you want to serve. The towers are also great for picnics or tailgate parties. Our food towers are comprised of individual containers filled with a variety of foods: salads, meats, cheeses, breads, desserts, and more. You decide! We pack it, stack it, wrap it, and top it off with a bow. Let the Club Car Deli help you express “Thank you”, “Get Well” or “Thinking of you”. Need some creative ideas? Call Cindy Perry, Shop Owner, or Gail Nicely, Marketing Director. Tell us the value range that you feel comfortable with, give us some insight on the recipient(s), and we will create the perfect gift for you! Need your gift shipped or delivered? We will be glad to do it.
